DECOMOOD

ARTE ARTESANAL SOSTENIBLE

Hacemos muebles de manera artesanal,
de forma sostenible, y
con mucho amor.
Fabricamos en España (Barcelona).

Nuestros muebles son piezas únicas.

Nuestra intención es dar amor a
maderas abandonadas y de esta forma,
darle una nueva vida.

También combinamos madera y hierro
forjado.

Usamos tintas ecológicas, aceites y cera
para un mayor acabado de la madera.
